

AtBot

The Premier Bot-as-a-Service Platform for the Microsoft Cloud

Jump Start Guide

AtBot can start working for your organization in a matter of days, not months like other bot solutions. Follow the steps outlined below to get your bots ready and make the most of your AtBot Enterprise free trial.

Launching your first bot

1. Sign up for your 30-day [free trial](#) of AtBot Enterprise.²
2. Add [AtBot Administrators](#).²
3. [Create an Enterprise bot](#) based on the bot created in Azure Bot Services.⁵
4. Create, share, and [categorize](#) your first [Skill](#) with Microsoft Flow.⁶
5. Create, share, and connect to your first [LUIS app](#) and build out [Intent Vectors](#).
6. Create, share, and connect to your first [QnA Maker Service](#). Follow [best practices](#).
7. Test your bot in the AtBot Admin Portal, retrain your bot, repeat!
8. Provide [licenses](#) to your users.
9. Deploy your bot [to Microsoft Teams](#).²
10. Deploy your bot [to SharePoint Online](#) or [another website](#) (optional).
11. Build more bots as needed.

Prerequisites

- a. Know and be in contact with your Office 365 global administrator and Azure administrator.
- b. [Azure Bot Service subscription](#).¹
- c. [Office 365 subscription](#) that includes Microsoft Teams and Microsoft Flow.¹
- d. Enable [sideloading of bots](#) in Microsoft Teams.²
- e. [Register your first bot](#) with Microsoft Bot Framework.^{3,4}

1. Free trial of this service is available.
2. Requires an Office 365 global admin to complete. Depending on local policy, may require a change control approval. Plan accordingly.
3. Requires an Azure admin to complete. Depending on local policy, may require a change control approval. Plan accordingly.
4. Make sure your bot's [connected channels](#) include Microsoft Teams.
5. Can be performed by any AtBot Admin, not only the Office 365 global admin.
6. It may be helpful to review the [AtBot templates](#) for inspiration.

Bot success!

NEXT STEPS

Ready for more AtBot or customized bots to help you get more work done? When your trial is over, convert to our paid subscription through the Admin Portal or contact hello@atbot.io for more information.
